www.zrm.su

Vegetable oil of Novokhoporskoe Trademark

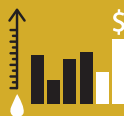

We provide samples of our products for tasting.
In our catalogs you can find a detailed
description of sunflower oil products.

By agreement, we are always ready to show
our manufacturing facilities in Voronezh region.
You can always evaluate the taste
of our natural sunflower oil!

Product advantages

What makes our vegetable oil
stand out from the similar products
on the Russian market:

our product is not
blended with palm and
other oils for cost
reduction

high-quality
100% natural
raw materials are used,
without artificial
additives and odors,
without thickeners
and preservatives

our oil is extracted
exclusively by pressing
method

we do not use
gasoline solvent
extraction

we do not use reagents
that artificially improve
quality indicators

we produce
only virgin oil

Choosing the products of OOO ZRM Novokhoporskiy,
buyers can be sure of their natural high quality.
